10. GENERAL CONSENT CALENDAR

General Consent - Eric 1st, Jim 2nd – Board Approved A, C & E. Michael Jensen requests to move Items B & D, they will be moved to the end of the agenda.

GENERAL CONSENT CALENDAR Items deemed to be routine, non controversial. Any Board member or stakeholder can ask a clarifying question instead of, or before, moving items to the end of the general agenda.

- A. The Venice Neighborhood Council Board of Officers approves the March 2024 Month Expenditure Report (MER) (see supporting documents)
- B. The VNC Board of Officers approves a Neighborhood Purpose Grant (NPG) for \$2,610.60 submitted by the Friends of the Venice Library to purchase children's tables and chairs for the designated children’s area in the Venice Branch Library. (see supporting documents)
- C. The Board of Officers of the Venice Neighborhood Council supports the creation of a Butterfly and Pollinator Garden in Centennial Park as described in the attached proposal, to accompany other features in the park.
- D. WHEREAS Los Angeles has established Get ReadyLA, a city-wide initiative attempting to prepare individuals, families and businesses for natural and man-made disasters which include specific evacuation protocols, and,

WHEREAS the Venice community is especially vulnerable to such disasters given its proximity to the Pacific Ocean, limited ingress and egress, tourist popularity, number of residents with limited functional abilities, population age and density all creating numerous evacuation challenges, and,

WHEREAS the city of Los Angeles, through current infrastructure construction projects and anticipated future plans has not sufficiently accounted for the impact of such projects and plans throughout the Venice community,

WHEREAS Los Angeles has not developed sufficient, coordinated community emergency plans to effectively engage the whole Venice community in becoming disaster resilient, and, despite continuing efforts by the Emergency Management Department and other city departments, has dedicated limited resources to sufficiently communicate city emergency plans,

THEREFORE, be it resolved, the Venice Neighborhood Council requests that Mayor

proactively engage (1) the VNC (led by the Community Resiliency Committee), appropriate local organizations and other Neighborhood Councils as active partners with the LA City Emergency Organization to develop whole community, all hazards, area-specific emergency plans that are coordinated with city emergency plans, and consistent with the Standardized Emergency Management System (SEMS) (2) dedicate additional staffing to EMD, LAFD and LAPD as well as other material resources to enhance the education, awareness, planning and preparedness of the whole Venice community, and, (3) utilize city resources including staff and facilities to establish joint training for, and exercising of, said plans on an ongoing basis, especially as it impacts those who are most vulnerable to all such potential disasters.

THEREFORE be it further resolved: That the President of the Venice Neighborhood Council by letter forward this request to Mayor Karen Bass and staff as well as Councilwoman Traci Park and staff with a copy to Carol Parks General Manager of the LA City Emergency Management Department.

E. MAINTENANCE REQUESTS AT VENICE PARKS

Motion: The VNC Board of Officers requests that RAP address all maintenance issues at all Venice parks, including, but not limited to all items listed on the supporting documentation.

11. OLD BUSINESS

A. DEVELOPMENT SUBSIDIES FOR LOW INCOME HOUSING – LUPC (8-0-1)

Robert 1st Michael 2nd Motion Carried (13-3-2-3)

Background This motion seeks support for government subsidies to be granted equally to smaller community builders who develop housing in our community. Government subsidized and grant-driven projects historically and currently have proven to be incapable of providing housing. Large corporate subsidized and for-profit builders of 50 or more unit building types account for 13.1% of the housing in Venice and 13.6% in all of the City of Los Angeles. In contrast, housing produced by “mom & pop” community builders of two to 24 unit building types account for 46.6% of housing units in Venice and 36.9% of units within the City of Los Angeles. Large government subsidized and grant driven projects historically and currently have provided housing that is massively over and above any reasonable character and scale that any residential community should be required to accommodate. Smaller apartment buildings are more in line with the community’s characteristics and provide more opportunity to engage with neighbors and the community. Large projects in Venice have frequently ignored VNC concerns, instead relying on political connections to obtain approvals. Finally, large government subsidized and grant driven projects cost vastly more per square than smaller projects.

Venice Neighborhood Council

PO Box 550, Venice, CA 90294

www.VeniceNC.org

MOTION: WHEREAS, the VNC supports small businesses made up of smaller community builders who create low income housing in multi-unit apartment buildings that conform to the VCZSP; WHEREAS, the VNC supports smaller scale apartment buildings dispersed throughout the community; NOW, THEREFORE, the VNC recommends that the City of Los Angeles provide the same opportunities for subsidies, grants, and subsidized loans to local, community builders providing low income units that it provides to larger, “non-profit” corporate developers. This motion shall be sent to Council Member Traci Park and CD11 Planning Deputy Jeff Khau.

16. PARKING AND TRANSPORTATION COMMITTEE

A. (3-0-0) RESOLUTION FOR AN ORDINANCE TO AUTHORIZE CITATIONS TO PERSONS CAMPING IN PUBLIC PLACES IN VENICE EVEN IF THEY ARE IN VEHICLES PROVIDED HOUSING IS AVAILABLE TO THEM

The explanations and rationales for the ordinance are in the Supporting Documents for this resolution filed herewith.

Now, Therefore Be It Resolved, the Venice Neighborhood Council calls upon the Los Angeles City Council to pass and the Mayor to sign a Venice-specific ordinance, which provides:

1. In instances when specific shelter has been offered to a person dwelling on public property in the Venice district of the city of Los Angeles, police officers may issue citations pursuant to LAMC Sec.11.00 against any person camping on public property even if within a vehicle

2. Regardless of shelter availability, officers may enforce violations in the following locations:

(a) Within 1000 feet of K-12 schools, child care centers, and adult day care centers.

(b) Within 1000 feet of a facility offering temporary shelter or affordable housing for individuals who had previously been homeless.

(c) In City parks and the Venice Beach Recreation Area, where a substantial public health and safety risk is determined, including within 1000 feet of a location or area which the Los Angeles Police Department has determined to have had a heightened level of crimes involving murder, assault, sex trafficking, bike or auto theft, or drug sales.

(d) When there is an immediate threat to public safety or a threat of fire or the person is wanted in connection to another crime.

Upon passage this Resolution shall be delivered to Mayor Karen Bass and City Councilmember Traci Park

B. (3-1-0) RESOLUTION TO PRIORITIZE TOWING OF RVs AND CAMPERS NEAR RESIDENCES, SCHOOLS, CHILD CARE CENTERS, PARKS, POST OFFICES, LIBRARIES AND SENIOR CENTERS

Whereas, Venice is currently the unwanted host to over 100 RVs, campers and vans used as dwellings; and

Whereas, many of these vehicles have been parking in the same location, within several feet of residences, for months, in some instances for years; and

Whereas, the city of Los Angeles has unconscionably established a regulatory straitjacket for itself that unnecessarily limits its ability to enforce many existing parking regulations, including the Venice-specific "No Oversize Vehicles 2-6AM" ordinance (OVO), the 72-hour rule requiring all vehicles parked on city streets to move after this period, and the requirement to move on days of street sweeping, and

Whereas, this city policy straitjacket:

- Puts a priority on citing and towing vehicles that create traffic hazards, environmental or public health hazards (read: obviously leaking sewage to the street), obstruct city services, and/or are inoperable or unregistered.
- While it established (though not by ordinance) a lengthy internal city process of engagement and attempts at voluntary compliance, which accepts and enables continued vehicle dwelling in the city of Los Angeles, while all the cities and county incorporated territory near Venice completely ban vehicles over 7 or 8 feet tall at night on city streets (without a city permit) and enforce all their parking ordinances.
- And ignores the serious burden placed on residents by the policy, which allows for occupied vehicles to remain within feet of residents and significant spaces and facilities used by the public for years at a time, robbing residents and their guests of street parking, while also permitting ceaseless accumulation of trash, bikes and bike "chop shops," and food waste, discharge of human sewage to gutters, the storm drain system and Venice beach waters, and frequent late-night noise, preventing residents' "quiet enjoyment of their homes;" and

Whereas, these policies were requested and put in place by former city councilmember Mike Bonin in his capacity as chair of the city council's Parking and Transportation Committee; and

Whereas, the voters of Council District 11, which includes Venice, elected Traci Park as councilmember specifically to reverse the misguided policies of Mr. Bonin, especially in the city's approach to public safety, homeless encampments and resident quality-of-life; and,

Whereas, during the pandemic, the city enforced none of the parking regulations cited above, and saw a steep increase in the number of vehicles used as

Venice Neighborhood Council

PO Box 550, Venice, CA 90294

www.VeniceNC.org

dwelling, which was not mirrored in nearby cities, and the city allowed its contracted ability to tow and store and dismantle oversized vehicles to atrophy and has proved incompetent at increasing these capabilities over the time since the pandemic emergency order was repealed;

Now, Therefore Be It Resolved, that the Venice Neighborhood Council calls upon councilmember Traci Park to immediately introduce a Motion to establish, at least in CD 11, that the **city prioritize citing and towing** of all vehicles violating any of the three regulations above – OVO, 72 hour rule, street sweeping – parked on city streets within 75 feet of a residentially-occupied structure, a school, a child care center, park, library, post office, or senior center, regardless of whether they are used as dwellings or not.

Upon passage this Resolution shall be transmitted to the Council District 11 councilmember.

17. LUPC
