

## Darryl DuFay Proposal

21 Board members

### **Proposal for Board seats:**

There would be 10 defined community/neighborhood districts with one vote where you live, work or own property.

One vote each for 8 officers (President, VP, Secretary, and Treasurer) and Board seats for LUPC, Outreach, Communications, and Community Interest for a person living outside of Venice but with an interest in Venice.

**Separate:** 3 "At-Large" members. A note of clarification. Reference was made to 30 votes can secure an At- Large seat. That is what can happen **now**. However, it should read that voting for At-Large will mean **open to all of Venice**. The votes could be in the hundreds. It could be an issues-based election by an individual or for someone representing a group.

Remember you have to be a Stakeholder to have any vote.
