I. **LUPC Agendas**

The Agenda shall be prepared by the Land Use & Planning Committee (LUPC) Chair or other LUPC member assigned by the committee and shall include an agenda item ~~listing to decide the disposition of~~ all new projects in the bi-weekly Certified Neighborhood Council (CNC) City Planning Early Notification Reports since the last LUPC meeting. If there is not a consensus of the group on whether to waive the review of a given project or not, it will be put to a vote of the committee.

Projects Needing No Further Review: Those projects for which additional review is waived will appear on the next VNC Board Agenda under the Agenda Item title "Projects for which VNC Recommendation is Waived, Without Prejudice." The Board can vote to approve the list or approve a modified list and send any one of the projects listed back to LUPC for review and a public hearing.

Projects Needing Further Review: Those projects selected for further review and hearing will be assigned by the Chair during the public meeting to a specific LUPC member who will work with the applicant and the neighbors to prepare a written LUPC Staff Report. NEW BUSINESS:

1. Stakeholder suggestion/request from Elizabeth Wright – Revise name of the Venice Neighborhood Council

a. Request:

VNC Stakeholders within zip code 90292 are routinely omitted from outreach, especially mailings. Yet the two areas within VNC boundaries that have the greatest population are south of Washington Boulevard (zip 90292). Because the official postal address is Marina Del Rey, many of the residents have no idea they are stakeholders. They do not know where to take their problems, and have no idea the VNC can be their voice.

b. Public comment

c. Committee discussion
