CAMEL RIDES IN VENICE BEACH

Mr. Abbot Kinney created Venice of America in 1905 as a mash up of Venice, Italy and Coney Island.

He built miles of canals, Italian architecture, dance and concert halls, a salt water plunge, wild roller coasters, and, in time for the grand opening, he brought amusements from the Chicago and St Louis Worlds Fairs... including: "Streets of Cairo," with its LIVE CAMEL RIDES.

My topiaries recreate this snapshot of that colorful time.
