Whereas - placing bathrooms of any kind in proximity to residences or businesses will place undue burden on property owners,

Therefore, the VNC recommends AGAINST placing mobile bathrooms of any kind within 100 yards of any residence or on sidewalks or streets adjacent to any private property (residential, commercial, or industrial) without prior written consent of property owner(s) AND 2/3 of property owners on both sides the contiguous city block.

Therefore: The Venice Homeless Committee recommends that all RVs, large vans and oversized vehicles being used as temporary homes on the streets of Venice must be equipped with fire extinguishers, carbon monoxide and smoke detectors.

And, all RVs, large vans and oversized vehicles must be inspected annually by LAPD and/or LAFD and approved for these safety devices.

And, all RVs, large vans and oversized vehicles must always display proof of inspection on windshield.
