

OFW TASK FORCE NOTES  
September 27, 2018

BEACH PATROL:

Regular vehicles are not allowed on the sand, and most likely will never again be allowed on the sand, due to the incident a year ago. What they can allow are the carts, they refer to as “side by sides”. They like to take them out in two’s and are trying to get another 6 to 12 from the city.

NEW REC’S & PARK COORDINATOR:

Robert Dunn

ROSE BATHROOM UP-DATE:

There will be a new 10 stall restroom with at least half of the stalls will be ADA, plus new showers. To be completed by May 2020. They are currently in the bidding process and looking out being around 1.7 million to complete.

RESTROOM/SECURITY GUARD UP-DATE:

24 hour restroom on Horizon. They have around 171 people per week. Out of this number, 47 are women. This seems to be working, so hopefully will be for all of city approves funding.

Also what Recs & Park are working towards: 6 – 10 cleaning for all bathrooms & an attendant at all bathrooms. Hoping this will happen by next year.

SCOOTER UP-DATE:

Recs & Park are working on getting sandwich board signs that have the scooter image with a line through it and they are also working on having it painted on the boardwalk, like the “walk your bike”.
