

Hi Neighborhood Council Board Members,
The Neighborhood Council Emergency Preparedness Alliance will be meeting on Saturday March 25th from 10 am to 12:00 pm at the Emergency Operations Center in downtown L.A. At meeting we will have a very practical presentation on how to use your house and common objects found in it to sustain you in an emergency. It will help answer the question about how we can help prepare even the stakeholders who can't afford to set aside separate emergency supplies.

If you are not on the NCEPA email list and would like to attend the meeting please RSVP to commissionerlenshaffer@gmail.com. I will email back a copy of the agenda with the times and location and a parking pass.

Its time for NCs to join in the effort of preparing our communities for whatever future emergencies or major disasters may occur. I hope you can join us on Saturday.
