Deseo ser considerada para la posicion de Oficial de Comunidad del Concilio de VNC. Por la razon de asegurar necesidades que estamos necesitando en esta comunidad. Lograr la participacion de los residentes y negocios para abogar recursos necesitados en nuestra comunida.

4. The VNC needs to review job descriptions of all Board Members. Review which Committees REALLY should need change. Let the Departments most needed come in and here the stakeholders. STOP SENDING RECOMMENDATIONS with useless motions. JUST LIKE WE USE to have the Departements come to our meetings. El VNC necesita ver que comites son los que mas funcionan, y traer a los Departamentos escuchar a la comunidad.

5. My vision for Venice is to get the old stakeholders and the new generation accept change. The demographics , economics of our City and population is growing. We need to bring the Rand Corp. and Human Relations Department as before to have dialog in Town Hall meetings with the Stakeholders. Then we can all set goals and visions.

Mi vision para Venice is traer a la comunidad adulta y joven dialogar cambios economicos , demograficos ocurriendo en el presente. Traer al departamento de Relaciones Humanas, y Rand Corp. a conferenciar con la comunidad. Y asi establcer visiones.
