A. SCHEDULING DECEMBER 2024 VNC MEETING

MOTION: Board will hold its regularly scheduled Board Meeting on Tuesday December 17th via Zoom.

DESCRIPTION: Westminster School is not available on the third Tuesday of December. The December Board meeting needs to be held elsewhere if in person or on Zoom. Motion is to hold the meeting on Zoom.

B. COMMUNITY IMPACT STATEMENT REGARDING ARTIFICIAL TURF (ARBOR, 4-0-0)

MOTION: The Venice Neighborhood Council board votes to support the Los Angeles City Council File #24-0602 in transitioning away from the future use of synthetic turf or artificial grass and incentivize drought-friendly landscaping.

DESCRIPTION: The artificial turf surface sheds microplastics and the runoff it causes can become contaminated with PFAS and pollute our drinking water and oceans. Artificial turf cannot be recycled and will end up in the landfill, continuing to pollute the environment. In addition, it off-gasses ethylene and methane contributing to the climate crisis, unlike real grass and other plants. Nothing lives in artificial turf. It also kills the soil and the living organisms in it, removing natural habitat. It is safer and more cost effective to use grass for playing fields rather

than substituting artificial turf.

For the VNC board to vote to submit a community impact statement in connection with City Council File #24-0602 in transitioning away from the future use of synthetic turf or artificial grass and incentivize drought-friendly landscaping.

11. OLD BUSINESS

ARBOR COMMITTEE

A. RESOLUTION SUPPORTING GRAND BLVD LANDSCAPING (4-0-0)

Whereas, Grand Blvd. is a major thoroughfare and has historical significance as one of the original canals, and turning Grand into a parking lot with diagonal parking does not contribute to the character of the "Lost Canals of Venice" neighborhood; and

Whereas, Grand is used as a speedway, and drivers regularly ignore stop signs and speed limits; the introduction of trees and landscaping, and pedestrian and bicycle-friendly circulation will significantly mitigate this hazard; and

Whereas, on September 19, 2005, the Los Angeles City Council adopted Ordinance 176861, which:

Authorized the City Council to designate by Resolution areas where parking is prohibited between 2:00 am and 6:00 am, to issue permits to residents and their guests in residential areas where such parking is prohibited if there is inadequate off-street parking available..., and,

And whereas, the city subsequently established by resolution Venice Overnight Parking Districts (OPDs) 520, 521, 522, 523, and 526 west of Lincoln Blvd., and approved city Coastal Development Permits 08-07, 08-08, 08-09, 08-10 and 08-11 for these OPDs, and this legislation is still valid; and,

Whereas, at a stakeholders' election conducted by the VNC on Feb. 22, 2009, Venice residents voted by a margin of 891 to 608 to grant residents the right to establish OPDs on their streets by resident petition and this remains the position of the VNC (<https://www.nbcloseangeles.com/news/local/venice-voters-advice-restrict-overnight-parking/1870044/>); and

Whereas, the VNC's Arbor Committee has publicly noted the sparseness of Venice's tree canopy at only 15% coverage, and its stated goal is 30% coverage, and has called for planting trees on excess city land; and,

Whereas, the width of Grand Blvd. is an historical anomaly created by Abbot Kinney;

Venice Neighborhood Council

PO Box 550, Venice, CA 90294

www.VeniceNC.org

i.e., Grand Blvd. was originally the Grand Canal, and thus made wider than the other canals to accommodate Kinney's dream of recreating Venezia's Grand Canal, which today creates an opportunity to expand Venice's tree canopy by planting down the middle of the street;

MOTION: Now, Therefore Be It Resolved, the Board of the Venice Neighborhood Council calls upon Mayor Karen Bass and Councilwoman Traci Park to adopt and find funding for the Neighbors of Grand plan for the "greening" of Grand Blvd.; including a landscaped median primarily consisting of native trees and plants, with an adequate irrigation system, large trees to provide shade and resist urban heat effects; installation of bike paths; a new lane of resident-only overnight parking next to the new median under the existing OPD district and city CDP; and for the city to apply for a state coastal development permit for the designated OPD parking spaces on Grand, and it is further resolved that the Board of the Venice Neighborhood Council rejects diagonal parking on Grand Blvd.

Following passage this Resolution shall be forwarded to Mayor Karen Bass and Councilwoman Traci Park and the general managers of StreetsLA and the Department of Transportation.

B. CIS IN OPPOSITION TO COUNCIL FILE 21-0329-S5 (WRAC)

The Venice Neighborhood Council, a member of the Westside Regional Alliance of Councils (WRAC), opposes the motion in CF 21-0329-S5, which makes implementation of LAMC Sec. 41.18 unnecessarily and unreasonably complicated and needlessly involves county agencies in city policy. The Venice Neighborhood

Council supports LAMC Sec. 41.18, which has been effectively implemented in Council District 11 and other areas of Los Angeles to protect public health and safety and preserve the use of our public spaces for all constituents.

C. CIS IN SUPPORT OF CF 24-0140-S1 (WRAC)

The Venice Neighborhood Council supports CF 24-0140-S1 requesting that the City Attorney provide an analysis of the recent *Grants Pass* ruling and its impact on the City's existing rules relative to sleeping, lying and storage of property in the public right of way and other public settings, including but not limited to Los Angeles Municipal Code Sections 41.18, 56.11 and 63.44, as well as its impact on vehicle dwelling.
