COMMITTEE REPORTS:

OLD BUSINESS (*Items considered in prior meeting*) Updates on previous motions:

1. Committee Renewal Motion - unanimously passed by VNC Board
See attached Supporting Document for committee accomplishments summary
2. Pagodas Restoration - shall we submit a motion asking CD11 to have the pagodas designated Historic Cultural Monuments? A petition to preserve the pagodas was recently created by concerned stakeholders including Sarah Maher on Facebook Venice Locals Cali USA Community site. To date, their [change.org](https://chnng.it/V2pTSKrykX) petition has garnered 128 signatures: <https://chnng.it/V2pTSKrykX>

Q: Were the pagodas rebuilt in 1995? As per RAP budget p26 on Coastal Commission Venice Beach Refurbishment Plan Report

www.VeniceNC.org Email: info@VeniceNC.org

P12 references 1930's construction considered "landmarks"

The pagodas were built in the 1930's as part of the Works Project Act (WPA). They include 5 sites (a 6th one no longer exists) along Ocean Front Walk. 32 total umbrellas at \$10,000 each = \$320,000 in RAP budget p26

They are included in the 1968 architectural design and construction documents of the Venice Lifeguard Station, which carries forth the distinctive hexagonal form.

Motion: The Board of Officers of the Venice Neighborhood Council requests that the Council District 11 Office move to have the unique and historic Venice Pagodas which line Ocean Front Walk, giving it a continuous artistic and distinctive character, be designated as Los Angeles Historic Cultural Monuments.

3. Walking Tour App - update on consolidating the 3 subject tours into one tour. Once consolidated, QR codes to be created, mounted around town and circulated by vnc

4. Venice Lifeguard Station - update on restoration

Letter to CD11 asking CA Coastal Commission to retract de minimus demolition waiver based upon erroneous material information regarding the ownership and condition of the building - knowingly incorrect meant to deceive and continues risk of causing confusion. No motion required. This is follow up to prior requests

How to get the County Supervisor Lindsay Horvath and Department of Beaches & Harbors to begin repairs? \$1.2 Million intended for demolition will go far toward repairs. (Fran Soloman?)

The Olympics are coming in 4 years. If not used for Lifeguard Services, repurpose the tower portion as a public access venue. 25+ Lifeguards have competed in past Olympics; Lifeguards will compete in the next Olympics. The building will be an excellent venue for crowds visiting Venice Beach. Olympics rings and lighting can decorate the roof and outline the building. (Retired Lifeguard Section Chief Mickey Gallagher)

Motion: The Board of Officers of the Venice Neighborhood Council requests that the City Attorney, (City Department overseeing assets?), the Mayor, the Department of Recreation and Parks, and Council District 11 contact LA County Supervisor Lindsay Horvath (or all) to ask that repairs of our Historic Cultural Monument: the Venice Lifeguard Station, be undertaken immediately to prevent further deterioration and prepare for the upcoming 2028 Olympics.
