### PARKS & SCHOOLS COMMITTEE

#### A. VENICE OFW PLAYGROUND UPDATE LETTER (5-0-0)

**MOTION:** Send a letter to RAP & CD11 requesting alterations from the community to the most recent design of Ocean Front Walk (see requests in supporting docs)

#### B. SECURITY AND ORDINANCE ENFORCEMENT AT PENMAR RECREATION CENTER (5-0-0)

**MOTION:** The Venice Neighborhood Council requests that the Department of Recreation and Parks, LAPD, Los Angeles Animal Services and Councilwoman Traci Park's office undertake consistent, genuine enforcement of city ordinances, specifically LAMC 63.44, related to camping, overnight sleeping, storing of personal possession, storing of bulky items, defecation, urination, overnight parking, off-leash dogs and all related ordinances at Penmar Recreation Center.

**DESCRIPTION:** WHEREAS, Security and enforcement of public park rules and regulations and of city ordinances such as no camping, no overnight sleeping, no overnight parking in the parking lot, no storage of personal possessions and bulky items, no defecation/urination, no off leash dogs and all other related ordinances at Penmar Recreation Center (a designated drug free zone LAMC 63.46) is inconsistent and, WHEREAS, The safety of children, senior citizens, stakeholders and visitors is compromised on a daily basis and, WHEREAS, Penmar Recreation Center continues to be occupied by unhoused living in cars and vans, that occupy the Penmar Park parking lot on Lake St. and surrounding streets of Penmar Ave. and Rose Ave. and, WHEREAS, the Park Rangers from the City of Los Angeles Recreation and Parks division have consistently dismissed and not acted on our requests for enforcement of ordinances in the park, like LAMC 63.44, prohibiting overnight camping in the park and storage of bulky items, and their own posted park rules and regulations, and, WHEREAS, Penmar Recreation Center continues to be illegally used as an off-leash dog park at all hours and the dogs dig holes and relieve themselves in the sports fields, jeopardizing our youth and, WHEREAS, residents and visitors to the park, most importantly seniors and children, feel threatened by the existence of homeless encampments in the park and off leash dogs in the park, many of them large breed and, WHEREAS, there have been multiple incidents of dog fighting in the park, (between both dogs and their owners) and, WHEREAS, there have been multiple incidents of the unhoused occupying the park for long periods of time, refusing to leave without police intervention, some which have large dogs tied to the city fence within the park.

## ARBOR COMMITTEE

### C. ARTIFICIAL TURF SIGN-ON LETTER (4-0-0)

**MOTION:** VNC Board approves signing on to the letter by the NCSA (Neighborhood Council Sustainability Alliance)

**DESCRIPTION:** After the VNC submitted the CIS on council file 24-0602, the artificial turf motion came before the city council on 9/17. The original motion was replaced by a substitute motion introduced by Paul Krekorian of CD2, which weakened the language significantly regarding a pathway towards the ban of artificial turf and was passed the same day. As a response to the weakened motion, the NCSA (Neighborhood Council Sustainability Alliance) has prepared the sign-on letter and is asking organizations to sign the letter. Pico Union and Palms Neighborhood Council have done so among many other organizations (see supporting docs)

## PRESERVING PUBLIC SPACES COMMITTEE

### D. HISTORIC CULTURAL MONUMENT DESIGNATION AND REFURBISHMENT OF THE VENICE PAGODAS (5-0-0)

**MOTION:** The Board of the Venice Neighborhood Council requests that the City Council District 11 Office move to have the unique and historic Venice Pagodas which line Ocean Front Walk, giving it a continuous artistic and distinctive character, be designated Los Angeles Historic Cultural Monuments and, in conjunction with the Department of Recreation and Park, have the pagodas refurbished immediately.

**DESCRIPTION:** The pagodas are hexagonal umbrellas, originally designed and built in the 1930 as part of the Works Progress Administration. Architectural drawings of the pagodas are included in the 1969 blueprints of the hexagonal Venice Lifeguard Station. Originally there were 6 sets of pagodas. Five sets, which include 32 wooden umbrellas and seating, were repaired or rebuilt by the Department of Recreation and Parks as part of the 1997 Venice Beach Refurbishment. All pagodas are currently in need of repairs, as was requested by the Venice Neighborhood Council in its April 2022 motion. The pagodas have been referred to as "Landmarks" for decades and are included in Survey LA. Recently, conflicting reports have been given to stakeholders indicating that the pagodas may be at risk of demolition. A stakeholder petition to repair the pagodas immediately garnered over 125 signatures: <https://chnng.it/V2pTSKrykX>

Venice Beach Refurbishment Project of artists Tamie Smith and William Attaway, for their installation on benches and bathrooms along Ocean Front Walk.

**DESCRIPTION:** The ceramic tiles created by Smith, installed on benches along Ocean Front Walk, depict historic scenes. Ceramic fishes and related sea creatures, installed on bathroom walls, were created by Smith, Attaway and together with children in the artists project. A few tiles need to be replaced. The project fell short of commissioning the artists to complete the tiles and fishes for all of the bathroom walls.

## F. VENICE LIFEGUARD STATION REPAIRS (5-0-0)

**MOTION:** Venice Neighborhood Council requests that Mayor Bass, the City Attorney, the City Controller, the Commissioners of the Department of Recreation and Parks, the Cultural Heritage Commission, and City Councilmember Park contact LA County Supervisor Lindsay Horvath to ask that repairs of our Historic Cultural Monument, the Venice Lifeguard Station, be undertaken, as per the Joint Powers Agreement, immediately, to prevent further deterioration and in preparation for the upcoming 2028 Olympics.

## **NEW BUSINESS**

### **12. VENICE MEDIAN PROJECT REVISION REVIEW**

**MOTION:** Venice Neighborhood Council requests the Mayor, the City Attorney, the City Council President, and the CD-11 Councilmember take the necessary actions to assure that the Coastal Commission does not schedule any hearings for the proposed public parking garage project, Affordable Housing project, and Certified Land Use Plan (LUP) amendments unless and until the significantly revised plans and LUP amendments go through the proper City processes with the Office of Historic Resources/Cultural Heritage Commission, City Transportation Commission, and LA City Council.

**DESCRIPTION:** Whereas on October 22, 2024 the applicant for the Venice Median project submitted substantially changed plans to the Coastal Commission that are not in conformance with the original City approval, including but not limited to: a significant 28% reduction in the low-income affordable housing units (from 68 to 49), reduction of one manager (25% decrease, from 4 to 3) and with no planned security for the development, co-mingling of public and private parking in the west garage, desecration of the historic Pacific Electric Short Line Venice Canal Bridge, removal of previously proposed community cafe and art studio space, addition of a large ocean view roof deck on west garage in place of additional parking, and other changes;

Whereas the plans and updated/corrected costs (and related adverse impact on the City's General Fund in light of the budget crisis) for the construction of the new City public parking garage have not yet gone before the City Transportation Commission or City Council, as required; the Reuse and Loan Committee Analyses (including questionable site appraisal and significant risks, such as funding risk/"gap analysis", rising interest rates, rising construction costs, cost and availability of insurance, and risk of loss of federal Project Based Vouchers—PBV—in the short and long term) for the Affordable Housing project have not yet gone before City Council, as required; and the substantially changed October 22, 2024 plans have not gone before City Council;

Whereas the October 22, 2024 revised plans—which include even further destruction of the historic Pacific Electric Short Line Venice Canal Bridge, built by Abbot Kinney in 1905 and on the National and California Historic Registers, by destroying its "apron" and materially changing it from auto, bike and pedestrian access, reducing it to a mere narrow footpath between the campuses of the affordable housing project, becoming a design and landscaping feature—have not gone before the Office of Historic Resources/Cultural Heritage Commission

for review of compliance with Section 106 of the National Historic Preservation Act (NHPA) and the National Environmental Policy Act (NEPA);

Whereas an expansion of public parking on Lot 731 is mandated in the LUP and as a result of 2023 State Assembly Bill 2097--which in May 2024 became applicable to the majority of Venice, including the Boardwalk and the area near the project site--the Coastal Commission has given a directive to mitigate the significant loss of parking due to AB 2097 by increasing public parking facilities; and

Whereas the Coastal Commission is planning to have the final hearing for the multiple appeals of the project (Substantial Issue appeal hearing), for the October 22, 2024 revised plans for the City public parking garage project and the Affordable Housing project, and for the LUP amendments, at their December 2024 meeting.

### 13. PRESERVING PUBLIC PLACES COMMITTEE

#### **SUPPORT FOR CREATION OF VENICE OCEANARIUM PAVILION (4-0-0 & 1 RECUSAL) 5 MINUTES**

**MOTION:** The Board of the Venice Neighborhood Council supports the creation of the Venice Oceanarium Pavilion museum, replacing the historic bait & tackle shop, on the end of the Venice Fishing Pier.

**DESCRIPTION:**The museum will educate and enlighten the public to the wonders of the sea and ecosystems unique to the Southern California coast. The open concept Pavilion, will house specimens, artifacts, interactive exhibits and our integrative programming, which blends Marine Science and Art through experiential learning. Included is an observation hatch with state of the art water sampling equipment, live reef cam viewing and Citizen Scientist opportunities [www.VeniceOceanarium.org/about](http://www.VeniceOceanarium.org/about)

### 14. LUPC

#### **A. 52 AND 60 MARKET STREET (6-1-0) (5 minutes)**

**MOTION:** Motion to approve as presented

**DESCRIPTION:** 1) CDP 2) A Specific Plan Project Permit (1) the redesignation of two existing dwelling units as "artist-in-residence" with no change to the number of existing dwelling units or guest rooms, (2) the construction of an arcade in the public right-of-way to be modeled after the original historic Market Street Arcade and, (3) a 282-square foot commercial addition to the ground floor and 200-square foot residential addition to second floor of the existing building in the Single-Permit Jurisdiction of the Venice Coastal Zone. 3) A Specific Plan Exception to allow a zero- (0)- foot residential setback at the second floor in lieu of the five feet required by the Venice Coastal Zone Specific Plan 4) New conditional use permit to allow the on-site sale of a full-line of alcoholic beverages in conjunction with a proposed restaurant/ cafe operating under a Type 47 ABC license. 5) Waiver of Dedication or Improvements (see supporting docs)

## B. 38 MARKET STREET (5-1-0)

**MOTION:** Motion to approve as presented

**DESCRIPTION:** CDP for a change of use of a non-conforming single story manufacturing facility to restaurant with ground floor dining patio and roof deck dining area. This project would continue the restaurant use already established on Market street and enliven the West end of the street. The rooftop use will have a visual connection to the Boardwalk and establishes an upgrade to the existing car parking spaces situated there. The layout of the restaurant and its kitchen is well designed and optimizes the existing structure. The character of the street with its former industrial and manufacturing buildings is well preserved and minimizes alterations to the facade and structure. The parking required is met with a generous accounting of cycle parking and an offsite parking agreement. 55 Required Parking = 9 on site Parking + 20 grandfathered parking spaces + 10 next door off site mechanical parking + 27 Biking stalls on Market street + 13 Biking stalls inside the restaurant (see supporting docs)
