

NEIGHBORHOOD COUNCIL REVIEW COMMISSION PUBLIC HEARING

Seven years ago, the City of Los Angeles created a system of Neighborhood Councils to **give you a greater voice in local government**. These are elected groups of your neighbors and other local stakeholders who give advice to the City Council and City Departments about how to better serve your neighborhood.

The Neighborhood Council Review Commission will be holding a public hearing in the West Los Angeles Planning Area. Written comments or brief spoken comments are welcome.

WE WANT TO HEAR FROM YOU!
