RE: Draft Ordinance Amending Los Angeles Municipal Code Section 42.15 to Restrict Vending, Regulate Performing and Prohibit Generating Excessive Noise on Beaches or Upon Immediately Adjacent Boardwalks, Sidewalks and Public Ways

.Dear Councilmember Rosendahl:

At its meeting on July 28, 2011, The Venice Neighborhood Council passed a motion revising the above referenced draft ordinance. Stakeholders were given a chance to express their views here and at an Ocean Front Walk Committee meeting where representatives from the City Attorney's Office as well as CD 11 gave presentations as to content and background of the draft.

Attached are a marked up and final copy of our recommendations. Please note that given the time constraints placed upon us, there are specific and general comments noted. It was felt that given the legal nature of the document, there were areas of concern where it was necessary for attorneys to address the issue.

Respectfully submitted,

Linda Lucks

President, Venice Neighborhood Council

Mike Nagle, Deputy City Attorney
