**PROJECT DESCRIPTION SHEET**

**PROJECT DESCRIPTION** (Include how many stakeholders will be working on this project.) (Maximum 500 words)

The year 2009 will be an instrumental year that will rebuild the foundation of Oakwood Recreation Center for the community of Venice. So far in our quest for success, we have we focused our efforts on developing and implementing seasonal programming such as sports, after-school and teen clubs. While these efforts are slowly and positively impacting the area, our next primary objective for the park has been to continue to provide free seasonal events such as our **HALLOWEEN CARNIVAL**

[REDACTED]

**SEASONAL EVENTS**

Oakwood Recreation Center is part of the City of Los Angeles, Department of Recreation & Parks. As a result of this, all city parks are mandated to have their Halloween event on the day of Halloween. This year our major seasonal event of Halloween will be on Saturday, October 31, 2009. As a result of this major event falling on a weekend, we would like to provide a variety of fun- filled activities that transcends the usual carnival games and arts & crafts that are offered for free. This year for our Halloween event, Oakwood Recreation Center would like to include exciting magic shows, a mobile animal petting zoo and mad science booths. As always, our seasonal events are a prime opportunity to bring the entire family for a day to the park for free.

IS THIS PROJECT PART OF A LARGER PROJECT?  YES  NO

**COMMUNITY BENEFIT** (Description of benefit to the entire community and justification for these benefits)

The benefit of providing [REDACTED] an enhanced **SEASONAL EVENT** would allow individuals to patronize their local park and develop camaraderie amongst peers and families.

Building community is essential for Oakwood Recreation Center since it is the basis for good communication in regards to understanding community needs. Moreover, maintaining consistent programming such as sports, enrichment classes, camps and seasonal events is the foundation for how well the people of the community bridge the gap of community to *camaraderie* and reclaim their park as their own.
