**Subject:** Brown Act violations

Dear Madam VNC President:

I have been listening to various VNC Board officers telling me that Joe Murphy, VNC Board Secretary, is sending out communications that express his opinion on matters that are within the jurisdiction of the VNC Board, which is a violation of the Brown Act.

I am requesting that the VNC Board of Officers take formal action to correct this behavior including the possibility of censure and/or removal from the VNC Board of Officers.

I expect to hear back from you, Madam President, within thirty (30) day as to how you intend to resolve this issue, or I will be forced to take further action.

Sincerely,  
Challis Macpherson, VNC Stakeholder  
Former VNC Board Member
