

## Candidate Statement of Danielle Sager-Ebling Running for At-Large Community Officer

Hello, my name is Danielle Sager-Ebling. I have lived in Venice for seven years now and I grow to love it more and more each day. I have chosen Venice as the place to start a married life, raise my young daughters and start my chiropractic practice. I want Venice to continue to be an artistic, welcoming, family-friendly location for many years to come. To that end I have decided to become a part of the system. I am running for the position of At-Large Community Officer so that the voice of young families, small businesses and big hearts is heard. While I am new to Venice politics I have a willingness to learn and a desire to serve. I would be honored to receive your vote!
