**RE: Case No.: ZA-2006-5026(CUB)(PA1)**  
**CEQA NO: ENV 2010-1043-CE Address: 1427 S. Abbot Kinney Blvd**

Dear Fernando:

Thank you for working with us and the applicant to leave this case open for public comment and additional information for your decision for 14 days until October 28th. This enabled additional public comment and the formal process of review and hearings by both Venice Neighborhood Council and the Venice Land Use and Planning Committee (LUPC). The meetings were held on October 13th, 2010 for LUPC and on October 19th, 2010 for the VNC.

The following motion was passed:

**Motion that all Conditions of Approval are enforced except for # 9 (clarified to apply only to live amplified music) and # 22 (be deleted). Further, we recommend that the CUB not be revoked so long as the applicant is in compliance with all Conditions of Approval except as noted.**

**The VNC amended this motion to add the following: The board is requesting that the ZA keep the file open to give Gjelina 8 months to come into compliance before any action is taken to remove its license. Adopted as amended 18-0-2.**

Please take this motion as a key point in the decision criteria when making your ruling. The consensus in this process, although there were dissenters, is that this is an important business to the community on one hand but on the other they need to come in to compliance.

Again, thank you for your attention to this matter, and please do feel free to phone me at (310) 505-4220 or email me at [president@venicenc.org](mailto:president@venicenc.org).

Sincerely,

Linda Lucks
