Hillside Kick-Off Meetings

Come join our staff in a series of public meetings throughout the City of Los Angeles being held in order to hear your comments, and discuss issues related to development in Los Angeles hillside neighborhoods.

Your input will help staff identify concerns, and influence the scope of the hillside project. These efforts will ultimately result in proposed Code Amendments affecting single-family development in the City's Hillside Areas. The meeting will start with a presentation from staff and will move on to general comments. Please feel free to attend any of the meetings listed below. Everyone is welcome, so invite anyone who may also be interested.
