Case No. ZA 2005-4664 (CDP) (CU) (SPP) (ZV)

Dear Bill:

At the November Land Use Planning Committee meeting it was moved that LUPC recommend to the Board of the Grass Roots Venice Neighborhood Council to disapprove the request of Verizon Wireless for a variance from the Q conditions and from the Venice Specific Plan. Further move that any antenna constructed be visually screened from the surrounding area.

Please send a letter to the City of Los Angeles' Engineering and Planning Departments, and Verizon Wireless declaring your support for your constituents in Venice that do not desire to look at technology at its ugliest on our horizon.

Sincerely,

Ms. DeDe Audet, President  
Grass Roots Venice Neighborhood Council
