Subject: Community Design Overlay
Lincoln Boulevard - from Santa Monica city limits to I 90

Dear Bill:

The Grass Roots Venice Neighborhood Council unequivocally supports the Community Design Overlay for Lincoln Boulevard. Furthermore, the Land Use Planning Committee is available for assisting the CDO process.

At the November 2, 2005 regular meeting of the GRVNC's LUPC, a motion passed unanimously to write to you announcing that GRVNC would support the CDO, and that LUPC would make itself available for assisting the CDO process.

This is a very positive, exciting project for Venice and we want to be involved.

Sincerely,

Ms. DeDe Audet, President
Grass Roots Venice Neighborhood Council
