

Michael Mulkey

1) Please explain why you wish to serve on the Neighborhood Committee:

I think its important for every person to make their living situation and its surroundings as peaceful, and satisfying as possible. I want to help do my part.

2) Please list your previous and/or current neighborhood or community involvement:

I am a member of the Venice Marina Rotary Club, and a member of the Venice Chamber of Commerce.

3) Please list the three most pressing issues you feel are facing the Venice Community:

- ① Parking
- ② Homelessness
- ③ Growth - bringing in new commercial/retail business without changing the main ingredients of Venice.

4) This committee shall promote greater awareness of available City resources and services and act as a conduit between the Board and Venice neighborhoods, assisting in community outreach and bringing neighborhood issues to the attention of the Board. How do you plan to fulfill this obligation?

Making my presence and availability known in the community. I will introduce myself face to face with the residents and leave contact information with them as well. I spend a great deal of time in the area close to my home. I am visible and I will be vocal about what I do.

5) What is your Vision for Venice?

For it to continue to be a place with its own true identity that welcomes people of all kinds while being able to make progress toward new ideas as well.
