3) In your opinion, what are the three most pressing issues facing the Venice Community:

- Crime - just had 2 things stolen from side yard. I'm not the only one!!
- Disaster preparedness (lack thereof) for high waves, flooding, Tsunami
- Force height issues - city & Coastal Comm. should not be so controlling & put aesthetics over safety!!!

4) The Neighborhood Committee is tasked with promoting awareness of available City resources and services by acting as a conduit between the Board and Venice neighborhoods, assisting in community outreach and bringing neighborhood issues to the attention of the Board.

What are your suggestions for effectively fulfilling this obligation?

- Brochure on Venice Specific Plan - few are aware of it & those who may be don't understand it.
- Sessions on new Tsunami docs. from city

5) Do you have a vision for Venice? If so, please describe:

More community meetings, INCLUDING, OFW!
More responsive city personnel to make
improvements as needed

Clear way to communicate to city &
county.

Bike path all the way to Marina Jettys
AND

Walking path (OFW) — — — — —

Let's get people, strollers, dogs etc. out of the
alley!

If we improve the alleys, the whole area will
look a lot better, like Balboa Island.

AND advertise this idea (Goethe)
"Let everyone sweep in front of
his own door, and the whole
world will be clean." 😊
