Questions:

Please limit your answers to the 5 questions below to 200 words or less each.

1) Please explain why you wish to serve on the Neighborhood Committee:

I want to have a community that is able to work together - no matter what side you are on.

I want to protect Venice from moving too far from what I know and love as Venice. I would like to see us retain the monies and funding that are made from tourists. We should be getting a larger cut and have more support for beach clean-up and enforcement.

2) Please describe your previous and/or current neighborhood or community involvement:

I have served on the NC for two years as well as the Community BBQ.
