

We, the undersigned, urge you to approve Sima Kostov Sherman for a position as a community officer in the Venice Neighborhood Council!

Sima is a wife and a mother and has been a Venice resident for ten years. She's smart, perceptive and invested in the community. And she's worked as a management consultant, an actress, a producer and a director.

As Sima says: "I will offer the Venice Neighborhood Council my time, dedication and perseverance . . . I believe in taking personal responsibility. I believe in a community working in tandem with law-enforcement and government. I also believe in teaching by example. And what better lesson to teach my son—the 1st generation American in my family—than to effect change by getting involved in the community."

We, the undersigned, would like for Sima Kostov Sherman to represent us as a board member on the Venice Neighborhood Council!
