

City of Los Angeles  
Department of City Planning

# PUBLIC OUTREACH TRAINING

Discover the wealth of information that the Department of City Planning has made available thru the Internet.

Learn the dynamics of the various information systems accessible to the public with the intent of assisting and guiding you through the Planning process. Training topics include:

- \* Using ZIMAS to view property information and generate various maps, reports and mailing labels.
- \* Using our website to view Community Plans, Specific Plans, Historic Preservation resources, Planning Entitlement process, Hearings, Meetings, and Agendas.
- \* Downloading departmental forms for your development project.
- \* Using PCTS to track the status of Planning cases.
- \* Using PDIS to view documents related to Planning cases.

Thursday, February 22, 2007  
Port of Los Angeles Board Room  
425 S. Palos Verdes Street  
San Pedro, CA 90731  
4:30 pm - 6:00 pm
