

We have to submit a budget for July 1, 2007– June 30, 2008 to D.O.N.E.
The required budget is a simple outline, however we have task ourselves a more detailed budget. So each committee is ask to submit a budget to get to the details.

Our broad budget categories are operation, outreach and community improvements. The Web site under Committees, Budget, Finance and Fundraising, forms have two forms that can be used.

A brainstorming list of what the committee may spend or would like to spend would be a beginning.
