Re: Extension of Red Curbs At 7<sup>th</sup> Ave Between Broadway and California

Dear Bill:

At our January 20, 2009 Board meeting, a motion was passed unanimously requesting your assistance in asking the Department of Transportation to extend the 'no parking' red curbs at the 7th Avenue intersections between Broadway and California Boulevards. Further, we request that the Los Angeles Police Department strictly enforce the expanded red curb restrictions on parking at these intersections; and that the Department of Transportation conduct a traffic study to determine if additional stop signs at these intersections would increase pedestrian and vehicular safety.

Sincerely,

Mike Newhouse  
President  
Venice Neighborhood Council
