Date: 04/30/09

Time: 7—9 pm

Skirball Center

Join our three moderators from NBC, LA Times Editorial Board and Daily News as they host CD 5 Candidates Paul Koretz and David Vahedi and City Attorney Candidates Carmen Trutanich and Jack Weiss (invited) in a candidates' forum.

Our Overall theme is LEVERAGE!

The economy is in a candidates' forum. worse before better. The trouble with currency comes from the over-leverage of US and some Global assets. Now is the time in the history of LA to use Leverage the other way. PEOPLE LEVERAGE. NEIGHBORHOOD LEVERAGE. NON PROFIT LEVERAGE..

The format for the event will be 45 minutes with the CD5 candidates and 45 minutes City Attorney candidates. Many issues will be addressed including the economy, development, Mansionization, Building permit issues and traffic and public safety to name a few.
