Subject: DIR 2008-4703 DI, Director's Interpretation of Small Lot Subdivision Ordinance impact on VCZSP

Dear Gail:

Please be advised that the Venice Neighborhood Council's Board of Officers has considered and approved the above-referenced Director's Interpretation with the recommendation that replacement affordable housing be required to be on-site rather than off-site as the interpretation would otherwise allow.

Thank you for your attention to this matter.

Very truly yours,
