Subject: NC Financial Disclosure - Hahn Motion 08-0351-51

Dear Bill:

At our May 19, 2009 meeting, the VNC passed a motion in support of Councilwoman Janice Hahn's motion that the City Council revisit its decision and direct the Board of Neighborhood Commissioners to collaborate with the Ethics Commission to replace Form 54 with an alternate form that meets City Ethics Commission guidelines in order to achieve the twin goals of ensuring transparency and fostering public participation for all individual Neighborhood Council board members who initiate a Neighborhood Council File.

Very truly yours,

A handwritten signature in black ink that reads "Mike R. Newhouse".
