

## SITE PHOTOS FOR 19<sup>TH</sup> AVE PROJECT

**View at site from Speedway. This is where the new parking space is being created.**

**This is the view of the courtyard. The new parking space is located to the left below the balcony.**

**This is another view of where the parking space is being created, looking north on Speedway towards the subject property.**

**Looking up 19<sup>th</sup> Ave walkway away from Speedway.**

**Example of other properties where cars are parked in the setback along Speedway.  
This is on 18<sup>th</sup> Place and Speedway.**

**Example of other properties where cars are parked in the setback along Speedway.  
This is on 17<sup>th</sup> Ave and Speedway.**

**This is a view of the subject property from the 19<sup>th</sup> Ave walkway. There will be no physical change in the view of the property as seen from the walkway.**

**This is the remainder of the courtyard of the subject property as seen from where the front bumper of the newly created parking space is to be located. The arrow indicates where the new unit is located.**
