8. Consent Calendar

[No discussion or Public Comment. Items may be removed and it will go to the end of the agenda]

- A** **Community Impact Statement - Citywide Sign Ordinance;** Dennis Hathaway on behalf of the Coalition to Ban Billboard Blight (dennis@banbillboardblight.org) **[EXHIBIT B]**

MOTION: The Venice Neighborhood Council opposes adoption of the revised citywide sign ordinance now pending before the City Council Planning and Land Use Management committee because it would allow a proliferation of commercial advertising on both private and public property without a significant reduction in existing billboard and signage blight, and would allow new electronic signage without addressing energy use, light pollution, traffic safety, and other issues that could negatively effect Venice and other communities throughout the city. Council File #08-2020

- B** **Community Impact Statement-No Alcohol Ads on Public Property;** Dennis Hathaway on behalf of the Coalition to Ban Billboard Blight (dennis@banbillboardblight.org) **[EXHIBIT C]**

MOTION: The Venice Neighborhood Council supports the motion directing the City Attorney to prepare an ordinance prohibiting alcohol advertising on city-owned and controlled property. Exposure to alcohol advertising has been shown to be a factor in drinking and alcohol abuse, especially among youth and the underaged. In Venice, incidents of violence on the heavily-visited Ocean Front Walk are common, and often fueled by alcohol. Venice also has one of the largest homeless populations in the city, and alcohol addiction and abuse has been shown to be a significant contributing factor in homelessness. Council File #11-1429

- C** **Motion to Approve Letter to Assembly member Ted Lieu** (10 Minutes) Laura Silagi on behalf of the SM Airport Committee (Amanda Seward and Laura Silagi) (lrsilagi@gmail.com) **[EXHIBIT D]**

Support letter for Ted Lieu to the State's Environmental Protection Agency requesting a study of toxic impacts stemming from SMO operations.

MOTION PASSED (6-1)

- C** Presentation and Motion of Support for Main Street Diet Plan (30 Minutes) Kristopher Valentine on behalf of the Environmental Committee (Kristopher.valentine@gmail.com)

Presentation by Paul Backstrom, Legislative Deputy for Councilman Rosendahl , Los Angeles Department of Transportation Representative (LADOT):

MOTION: Whereas Main Street from Windward north to the city limit is currently configured with two travel lanes northbound, two travel lanes southbound, separated only by a center line stripe with no turn pockets provided, and automobile parking is provided on both sides of the street as well, and

Whereas the current design is auto-centric and inconsistent with the Venice Neighborhood Council's vision goals, and

Venice Neighborhood Council

PO Box 550, Venice, CA 90294 / www.VeniceNC.org
Email: info@VeniceNC.org Phone: 310-421-8627

Whereas the LA City Department of Transportation has proposed reducing the number of travel lanes on Main Street to one lane in each direction in order to provide for new bicycle lanes in the north and south bound direction. The proposal would also create a center-striped median area that would effectively serve as left-turn pocket for motorists traveling from Main Street to adjacent side streets, hereby reducing the potential for rear-end collisions and ultimately making the street safer for all users. There would be no loss or change to the existing automobile parking.

Therefore the Venice Neighborhood Council supports the LADOT proposal for the Main Street Diet, which will encourage and improve mobility (biking and walking) in the community

D Motion to Approve Cell Tower at 737 Washington Blvd [EXHIBIT F]

(pending motion)

**E Proposal for Board Consideration of Negative Dynamic; Joe Murphy
(joedmurphy@ca.rr.com)**

MOTION: I believe an experienced and competent mediator would see this (see supporting documents) as an opportunity and would suggest the following procedure:

Step 1 Make the unhealthy pattern transparent enough so that it is difficult for those involved to deny it exists. I believe the attached supporting documents achieve this by detailing one familiar example of the unhealthy pattern with which 'key affected parties' are aware. I believe mediators would recognize this as an intervention which attempts to create "cognitive dissonance" and lead to a desire to make a significant change.

Step 2 The VNC Board acknowledges the existence of this unhealthy dynamic and decides to do something about it. This brings the spectrum of interested parties to the negotiating table thru the elected representatives of the Venice Community.

Step 3 The VNC Board: (i) generates a list of problems needing to be addressed by openly discussing what got us stuck and therefore locks us in that mode; and (ii) brainstorms/explores ideas (all ideas welcome) on how to address it. This part requires time to dialogue in a relaxed way – time to ask and answer probing questions in order to understand/appreciate a board member's position and the underlying interests upon which his/her position is based.

Venice Neighborhood Council

PO Box 550, Venice, CA 90294 / www.VeniceNC.org
Email: info@VeniceNC.org Phone: 310-421-8627

Step 4 Experiment with some of these ideas by implementing those that seem most likely to improve things.

Step 5 Consider it a 'pilot experiment' subject to periodic evaluation and modification. This institutionalizes 'learning from experience' as an ongoing element of the process.

MOTION: The VNC shall adopt the following procedures as an attempt to avoid a negative dynamic:

- F** **Motion to Support An Ordinance Re: Dogs on OFW** (5 Minutes) Daffodil Tyminski, on behalf of the Public Safety Committee (melya@earthlink.net)

MOTION:Whereas, the City of Los Angeles currently bans dogs on Ocean Front Walk from 11 am to 8 pm on summer weekends and holidays;
Whereas, the summer-only ban has created confusion as to when the ban is in effect, thereby making the ban difficult for LAPD to enforce;
Whereas, Ocean Front Walk has become an increasingly busy, year-around tourist attraction;
Whereas, the presence of dogs on Ocean Front in crowded conditions poses a safety hazards for people and dogs alike, year-around;
Whereas, people on Ocean Front Walk, including LAPD officers, have been bitten by dogs on Ocean Front Walk;
The VNC moves to support an ordinance extending the ban of dogs on Ocean Front Walk so that dogs will be banned every weekend and holiday throughout the year from 11 am to 6 pm in the wintertime and 11 to 8 pm in the summertime.

(Committee Vote Required)
