RE: Possible Oakwood Park Additions/Reconfiguration

Dear Lizka;

On October 18, 2001, the Venice Neighborhood Council voted to request that the Department of Parks and Recreation postpone any decisions regarding park modifications (including installation of a Fitness Station Plan) until public meetings are held and sufficient time is given for community participation and concerns regarding possible re- design and/or re-configuration of Oakwood Park.

In addition, we invite you to return to the VNC with proposed plans so that our board may recommend approval, approval with conditions or denial.

Sincerely,
