**B Letter to City Clerk requesting election costs Linda Lucks
(President@VeniceNC.org)**

[EXHIBIT I]

Motion: The Venice Neighborhood Council has participated in the Election Survey as presented by the City Clerk, however, the VNC has great reservations as to unknown costs associated with any of the choices and has concerns about insuring the integrity of elections regardless of the methodology used. Without knowledge of these costs, NC's are unable to make informed choices. As the City is again considering cuts from 6-12% of NC budgets, this information is critical.

The VNC requests that the City Clerk itemize the specific dollar amounts to be attached to each possible election method and to resubmit the survey for Neighborhood Council input prior to publishing any survey results.

C To make the "Oakwood Park Picnic Table Area a Historic Landmark Rick

Selan, Amanda Seward (whistleblower@rickselan.com)

The Oakwood Park Picnic Tables Area has for almost thirty years served as " a public meeting location for a significant number of Oakwood residents and "Friends of Oakwood".

Those who have been Venice residents since birth and those who have moved into Venice" utilize this area for communications as well as an area to improve the quality of life for those living in the Venice Community.

If the VNC and LA City Council approve this Landmark, a refurbishing and restoration of these "same benches and tables " will occur by those who use the area as well as "Friends of Venice". All cost to refurbish this area will come from donated funds/ materials from various Venice business as well as any funding that might be provided through unused Quimby Funds. The labor will be donated by those who use this area as well as "Friends of Venice".

I move that the VNC recommend to the LA City Council through Factual VNC Member Amanda Seward to approve the current Oakwood Park Picnic Area be turned into a Venice Historic Landmark.

On November 1, 2011 at the Park Board Meeting, over 60 community members were on hand to support the Picnic Tables Remaining Where They Have Been For A Quarter of A Century. No one at this public meeting supported Mr. Becker's idea to remove the benches, not even Mr. Becker if he attended.

This advocate proposes that VNC, under factual member Amanda Seward, begin the process for the "picnic tables" to become a Historical Landmark

This "mean spirit" intensified when Oakwood Park was turned over to the San Fernando Valley and taken out of the Westside. Valley Administrator Charles Singer and his deputy Marc Israel denied intervention with the Oakwood Community as was directed by Mr. Singer's Superiors. Mr. Singer still denies intervention even under the facilitation of LA Human Relations.

Charles Singer, Liska Mendoza and former Appointed PAB President Cameron Rodriguez were caught creating chaos through their ability to libel and slander local community in a series of "less than the truth" e-mails and phone calls.
